

Richard & Kimberly Wilson's Bio

Richard and Kimberly Wilson, Executive Directors of Watchmen Arise International, Inc. serve as corporate trainers of societal transforming Christians, and provide training and oversight of the Kingdom Advancement School and Watchmen Arise Ministry Alliance. They are ordained apostles through International Apostolic Ministries. They are members of Revelation 22 Ministries and Qualified to Conquer. Together they serve on the Executive Team of **The Statesmen Project** which is an international movement of concerned citizens responding to the growing economic and social crises with practical Biblical principles and models that solve specific community and national problems.
